Summary

Appropriates \$6,000,000 in fiscal year 2024 from the general fund, onetime and available until June 30, 2027, for a grant to the Minnesota Initiative Foundations to make subgrants to partners for work on child care primarily in rural communities. Details use of grant funds to enhance planning for, investing in, and training of child care providers to increase the availability and quality of child care.

In previous omnibus bills, this work received the following appropriations: \$1,500,000 each year in fiscal years 2022 and 2023 and \$750,000 in fiscal year 2020.
